

SUN
insurance
Company Limited

Graduate Trainee (x 3)

- **Expanding Insurance Company**
- **Customer Service Focus**
- **Excellent Career Path**

Sun Insurance Company Limited is a rapidly expanding insurance company in Fiji. The company is a leader in the provision of general insurance. An opportunity now exists in the role of **Graduate Trainee**.

Reporting directly to the General Manager Operations, you will be assigned special task in all aspects of insurance. You will initially be required to spend the initial 12 months in all disciplines of insurance before settling into a most suitable role.

The successful applicant **must** have

- At least a degree from a reputable University in either Accounting and or Engineering and or Law and or Marketing.
- A long term future in Fiji
- A valid drivers licence
- Readiness to travel around the country
- An ability to learn quickly
- A very high level of computer literacy and competences
- **A GPA of 3 or better (compulsory, please note!)**
- A very good command of written and spoken English
- Be a team player
- A positive 'can do' attitude

An attractive remuneration package plus benefits will be offered to the successful applicant. Applications together with a detailed curriculum vitae, tertiary academic transcript, three referees and telephone contact should be forwarded to Sun Insurance Company Ltd, GPO Box 16976, Suva or email jobs@suninsurance.com.fj

Position availability is ongoing in nature therefore suitable applications will be accepted throughout the year
